

## Limited RV 5 Year or 3,000 hour Comprehensive Extended Warranty

### RV Generator Sets

When purchased this limited extended warranty applies to Cummins Onan® branded RV Generator Sets, hereinafter referred to as "Product".

This warranty covers any failures of the Product, under normal use and service, which result from a defect in material or factory workmanship.

### Warranty Period:

The warranty start date is the date of sale of Product to the first retail purchaser by Cummins Power Generation®. This limited warranty coverage for this product shall be five (5) years or three thousand (3,000) hours, whichever occurs first, from the date of sale to the first retail purchaser.

### Cummins Power Generation® Responsibilities:

In the event of a failure of the Product during the extended warranty period due to defects in material or workmanship, Cummins Power Generation® will only be responsible for the following costs:

- All parts and labor required to repair the Product.
- Maintenance items that are contaminated or damaged by a warrantable failure.

### Owner Responsibilities:

The owner will be responsible for the following:

- Providing evidence of the date of sale to the first retail purchaser.
- Notifying Cummins Power Generation® distributor or dealer within 30 days of the discovery of failure.
- Installing, operating, commissioning and maintaining the Product in accordance with Cummins Power Generation®'s published policies and guidelines.
- Providing sufficient access to and reasonable ability to remove the Product from the installation in the event of a warrantable failure.

In addition, the owner will be responsible for:

- Incremental costs and expenses associated with Product removal and reinstallation resulting from non-standard installations.
- Rental equipment used while warranty repairs are being performed.
- Costs associated with labor overtime and premium shipping requested by the owner.

### Limitations:

This limited extended warranty does not cover Product failures resulting from:

- Inappropriate use relative to application guidelines.
- Failures due to normal wear, corrosion, varnished fuel system parts, accident, misuse, abuse, negligence, improper installation, lack of reasonable and necessary maintenance, unauthorized modifications, the use of add-on or modified parts, improper storage and improper or contaminated fuel.
- Batteries
- Living and travel expenses
- Telephone or other communication expenses
- Improper and/or unauthorized installation.
- Owner's or operator's negligence, accidents or misuse.
- Lack of maintenance or improper repair.
- Noncompliance with any Cummins Power Generation® published guideline or policy.

Limitations Continued:

- Use of improper or contaminated fuels, coolants or lubricants.
- Improper storage before and after commissioning.
- Owner's delay in making Product available after notification of potential Product problem.
- Replacement parts and accessories not authorized by Cummins Power Generation®.
- Damage to parts, fixtures, housings, attachments and accessory items that are not part of the generator set.
- Owner or operator abuse or neglect such as: operation without adequate coolant or lubricants; over fueling; over speeding; lack of maintenance to lubricating, cooling or air intake systems; late servicing and maintenance; improper storage, starting, warm-up, run-in or shutdown practices, or for progressive damage resulting from a defective shutdown or warning device.
- Failure of goods caused by defects in the system or application in which the goods are installed.
- Airfreight or other extraordinary expenses for shipment of parts over and above premium surface transportation.

This limited extended warranty does not cover costs resulting from:

- Difficulty in gaining access to the Product.
- Repair of cosmetic damage to enclosures.

Items not covered by this limited extended warranty:

- Batteries
- Enclosures
- Coolant heating elements
- Maintenance items
- Aftertreatment component failures
